Charlotte Higgins

THE SURGERY CENTER OF CHEVY CHASE

Dr. Higgins has scheduled your procedure with The Surgery Center of Chevy Chase. To be certain your experience goes smoothly, please carefully read and follow these instructions:

- Please go to www.scchevychase.com, click on icon “One Medical Passport” on the homepage. You will need to register by clicking on the green “Register” button. Once you have registered you will need to complete a Pre-Surgery Screening form.
- Personnel from The Surgery Center of Chevy Chase need to speak with you!! If they are not able to contact you four days before your surgery, please call 301-718-2833 or 301-718-9800. There are many important issues that they need to review with you. If they do not talk to you prior to your surgery, your surgery could potentially be postponed.
- An ADULT must accompany you to The Surgery Center of Chevy Chase and is required to stay during your surgery. This person will also sign paperwork taking responsibility for you after surgery and drive you home. Please make sure this person is aware of these obligations and plans accordingly. This is MANDATORY and they will only make exceptions for those having local anesthesia.
- Do not eat or drink anything after midnight the night before your surgery. This includes chewing gum or eating hard candy. Some exceptions may be made if your procedure is scheduled late in the day or if you are having local anesthesia.
- The Surgery Center of Chevy Chase needs valid phone numbers for you. Please make sure that Dr. Higgins office and The Surgery Center have these numbers so that everyone can get in touch with you.
- You may be required to have a physical, EKG, and lab work prior to your surgery. Dr. Higgins office will determine which ones you need to have done and we will discuss this with you during your pre-operative appointment.
- Please realize that as your surgery date approaches, there may be some adjustments made to your actual surgery START TIME. These changes are to accommodate Dr. Higgins and to ensure that The Surgery Center has the proper equipment and staff for your procedure.
- If you have any questions, please call either Dr. Higgins office at 301-232-1050 or The Surgery Center of Chevy Chase at 301-718-2833 or 301-718-9800.
